Welcome

Military-Connected Students & Families!

Military Student Transition Consultants

Moving and adjusting to a new school can be challenging for military students.

Military Student Transition Consultants (MSTC) are here to address your questions and concerns. Your MSTC plays a **pivotal role** in establishing collaboration among school systems, education agencies, public and private youth services, community groups, and installation resources.

Contact your MSTC before, during and after your move to ensure a smooth transition.

Military Student Transition Consultant program is a partnership between Vernon Parish School Board and The Military Child Education Coalition. The Military Student Transition Consultant project is funded by DoDEA through a contract with the Military Child Education Coalition.

The MSTC augments existing service and resources in support of military-connected students in the district. MSTCs works with campus teams, installation and community agencies to help military connected-students realize academic, personal goals and social goals.

MSTCs provide core curriculum information, installation resources, academic support and transition resources, student peer groups, presentations for education professionals, and navigation of special education programs.
