Welcome

Military-Connected Students & Families!

Military Student Transition Consultants

Moving and adjusting to a new school can be challenging for military students.

Military Student Transition Consultants (MSTC) are here to address your questions and concerns. Your MSTC plays a **pivotal role** in establishing collaboration among school systems, education agencies, public and private youth services, community groups, and installation resources.

Contact your MSTC before, during and after your move to ensure a smooth transition.

MSTCs provide:

- Answers for the Cumberland County School District
- Fort Bragg resource information
- Campus team resource information
- Assistance with enrollment processes
- Support for seamless transitions
- Help with special education issues
- Sharing of information with parents, school personnel, installation and community members

Military Student Transition Consultant proudly serving Cumberland County, Pope Army Air Field and Fort Bragg families.

Carlos Swan, MSW

Schools Served:

Pine Forest High School, Terry Sanford High School, Spring Lake Middle School, Max Abbott Middle School, and Pine Forest Middle School

Military Child Education Coalition®

(MCEC®) is a 501(c)(3) nonprofit, worldwide organization founded in 1998 to ensure quality educational opportunities for America's military-connected children. Mobility, family separation, and transition impact the children of our nation's service members and veterans. MCEC supports them by conducting research and developing resources to meet their needs.

Cumberland County School District serves students from Fort Bragg and Pope Army Air Field.

ccs.k12.nc.us

Military Student Transition Consultant program is a partnership between Cumberland County School District and Military Child Education Coalition.

The MSTC augments existing resources in support of military-connected students in the district. MSTCs work with campus teams, installation and community agencies to help military connected-students realize academic, personal, and social goals.

MSTCs provide K-12 core curriculum information, installation resources, academic support and transition resources, student peer groups, presentations for education professionals, and navigation of special education programs.
