Combined Federal Campaign #10261

During his tenure as Chairman of the Military Child Education Coalition, Lieutenant General (Ret) Pete Taylor played a critical role in the establishment of partnerships between military installations and school districts serving military-connected children.

In 2004, the MCEC Board of Directors established the Pete Taylor Partnership of Excellence Award in recognition of General Taylor's work and dedication to helping America's military children. This annual award encourages and applauds the outstanding partnerships that exist between military installations and school districts, and brings special recognition to those partnerships that demonstrate General Taylor's long-held belief that "goodness happens at the local level."

**Congratulations to the 2019 winners of the
Pete Taylor Partnership of Excellence Award.**
